ABOUT ME

I'm Sujoy Moulick, a 2nd-year Computer Science and Engineering (AIML) student with a passion for web development, AI/ML, and blockchain technologies. I enjoy turning ideas into interactive projects, solving problems with code, and continuously learning new skills. Alongside academics, I create content to share my journey and connect with like-minded learners. My goal is to grow as a developer while contributing to impactful projects and communities.

EXPERIENCE

ACM STUDENT CHAPTER

August 2025 - Current

ACM STUDENTCHAPTER - JAIPUR, IN
Student Coordinator

Designed visual graphics for marketing campaigns and social media platforms.

Participated in brainstorming sessions to generate innovative design ideas. Developed graphics, logos and layouts for product illustrations, company logos, and websites.

Edited photographs for use in digital media platforms including web banners and social media posts.

Developed responsive web applications using HTML, CSS, and JavaScript. Collaborated with designers to create user-friendly interfaces.

Developed engaging content for social media platforms and websites.

Collaborated with graphic designers to create visually appealing posts.

Researched industry trends to ensure relevant content creation.
